1. A public event to coincide with Disability Awareness month (October)

The event is intended to provide Information, Education, & Motivation about LAX for the community.

Example: issues, trends, the future of air travel and its impact on persons with disabilities.

Concurrent sessions on LAWA construction and plans for the future

Have booths representing, CBP, airport, TSA, Metro, Department on Disability, Wheelchair service companies, airlines, airport police, LAFD, Emergency Management, disability organizations, etc.

3. Hold a forum on disability travel issues faced by persons with disabilities at LAX and in general. The result will be a committee report on the topic.
4. Fill vacant positions. We currently have two community positions empty.
5. Work with airport police on a disability event similar to the one in the summer of 2017.
6. Sponsor a bimonthly "get acquainted tour" for persons with disabilities of the airport.
This would give people with severe disabilities the opportunity to experience the airport environment.
